

C60 SERIES WORKSTATION

Guangzhou XUSHENG Office

**BIFMA
CERTIFIED**

ABOUT US

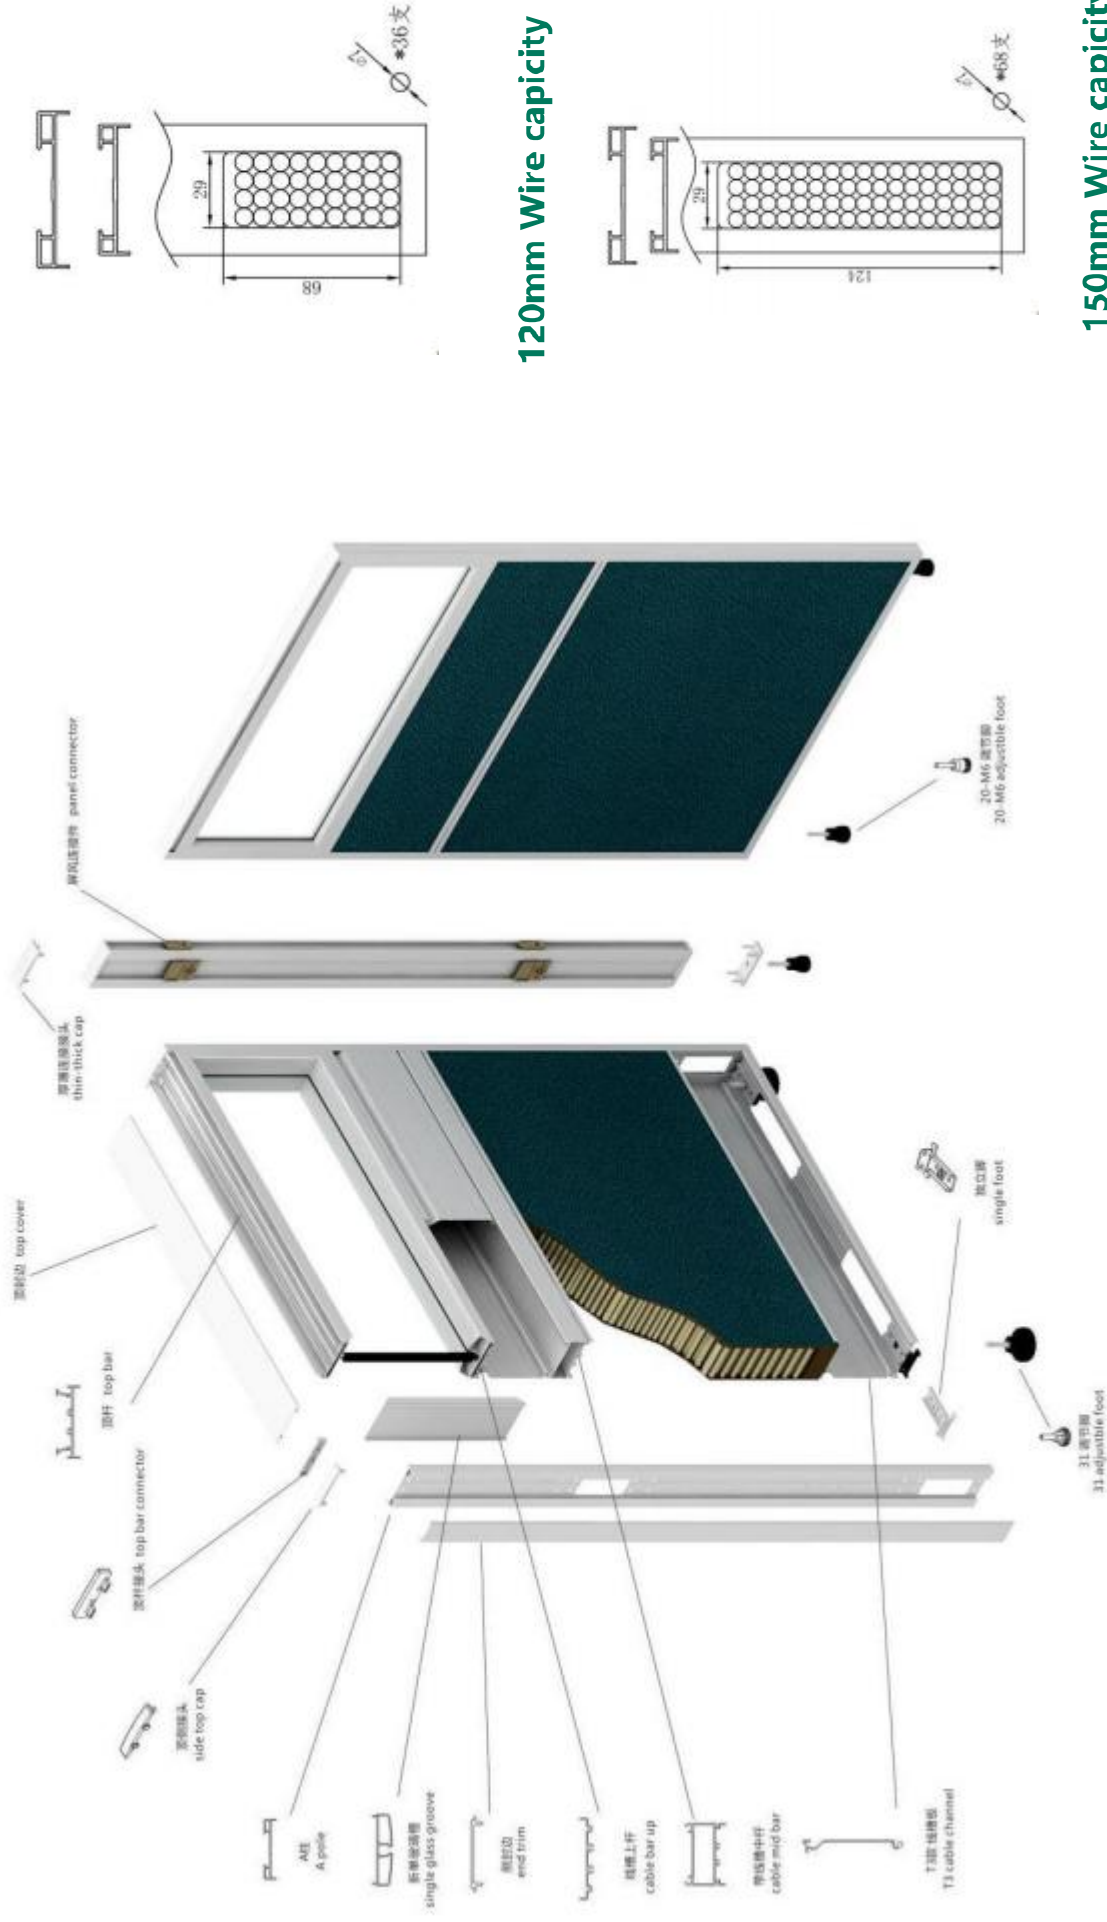

Guangzhou Chuangfan Office Furniture Factory has been engaged in the design, development, manufacture, sale and export of Office furniture, established in 2006. Products contain executive desk, staff desk, office workstation, computer desk, filing cabinet, meeting table. Chuangfan firmly believes that all products must meet internationally accepted quality standards. Therefore, we focus on purchasing high quality materials and ensure strict internal process control. Our products have been exported to more than 70 countries all over the world.

We work hard to achieve quality at affordable prices for our customers through optimizing our entire value chain, by building long-term supplier relationships, investing in highly automated production and producing large volumes.

Our factory has been passed ISO 9001 and ISO 14000
